

5/6 Market Day- Donations

Dear Families,

5/6 students are working hard to create businesses to run at Market Day. Market Day will take place on Friday 29th November (Week 7) at school. This is our main fundraiser for graduation and Year 6 gift to the school.

Students are currently organising requirements for their stalls. Some students have been asking parents for materials and equipment; this is not an expectation and should not exceed about \$10 per person. The 'Mereki Bank' can also assist groups in a business loan that will be repaid from Market Day takings. However, there are a few stalls for which students have identified the need for donations outside of what the budget allows.

If you are able, Year 5/6 would appreciate any donations of the following by Friday Week 7:

- Family-sized blocks of chocolate (nut-free)
- Store-bought baked goods (eg- packets of lamingtons, cupcakes, slice. If homemade, please provide a list of ingredients and ensure these are nut-free)

Our Bakery Stall have asked for any baked goods to be brought to school on **Thursday 28th November**, to stay as fresh as possible. All other donations are welcome anytime.

Please do not hesitate to contact us should you have any questions or concerns.

Kind regards

The 5/6 Team
